Re: Freedom of Information Act Request

Dear Sir or Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 522, please accept this letter as a request for certified copies of all of the following materials in the Environmental Protection Agency's ("EPA") possession, custody, or control, regarding the facility located at 1525 Norman Drive, College Park, GA, 30349 (the "Facility"), which has operated under the name "North Clayton High School":

1. All documents relating to the existence of asbestos-containing materials at the facility.
2. All documents relating to the removal of asbestos-containing materials from the facility.
3. All documents that relate to the EPA's inspections of the facility, concerning asbestos.
4. All documents that relate to any violation by any entity that has operated or is operating at the facility, of any federal worker safety statute or regulation related to asbestos exposure.
5. All documents that relate to any citation of any entity that has operated or is operating at the facility, by the EPA related to asbestos exposure.

6. All documents relating to the storage or disposal of asbestos-containing materials originating at the facility.

Alston & Bird LLP has been retained by Union Carbide Corporation, to make this request on its behalf. On behalf of our client, we agree to pay all reasonable costs that the EPA incurs in searching for and producing the requested materials.

To the extent any documents are withheld from your production, please provide a list identifying those materials citing the specific exemption justifying your refusal to release the information requested.

We request certified copies of the requested documents if possible.

Thank you for your assistance with this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Catherine D. Payne", with a stylized, cursive script.
